Future Aces Spaces

David Tomlin, Principal of **Islington MS**, suggests having Classroom Student Achievement Award Ceremonies that honour the accomplishments of all students for their work during the term. A *Future Aces Certificate of Achievement* indicating report card learning skills achieved (*see example*) is presented to each child at a class ceremony on a date chosen by the teacher. Parents are invited to attend the events. The intent is to praise the efforts of all learners to encourage them to strive for excellence in all that they do.
